

PINE STREET SCHOOL
FOUNDATION

"I give so my children will be able to experience unique and creative educational opportunities that will help further their love of learning." – PSSF Board Member

Who

The Pine Street School Foundation was formed in 2009 by Pine Street School families to help ensure PSS has the resources needed to enhance an already exceptional educational experience.

What

Funds are raised annually and then awarded to teachers via our grants process, funding enhancement projects at the classroom, grade, department and school-wide levels. These funds are deployed quickly back into the classroom. The PSSF is **not** a long-term endowment. We intend for all current contributions to benefit current students.

When

Gifts received by May 1, 2024 will fund the 2024-2025 grants. The Foundation is a 501c3 organization; all donations are tax-deductible. Gifts of every amount make a difference!

Why

"I give because it helps hard-working teachers provide creative - and enhanced - educational experiences for the students they love." — Grant Close

"We believe strongly in the value of investing in education and the positive outcomes it brings to our lives. The foundation's commitment to supporting academic excellence and fostering a love for learning is truly inspiring. We consider it a great privilege to be able to play a small part in shaping the future of our community through our donations." — Ashley & Jeff Owen
